Roll two dice. Add the numbers. The sum will choose your discussion:

- 2 - How does the main character change during the story?
- 3 - What did the main character do to make you like or dislike him/her?
- 4 - What can you say about the main character's family life?
- 5 - How are the supporting character(s) important to the story?
- 6 - Find a phrase that helps the reader to learn about the main character.
- 7 - What are the main character's strengths? Weaknesses?
- 8 - What would happen to the main character if there were a sequel to this book?
- 9 - How does the main character interact with other characters?
- 10 - Compare two characters. How are they alike? Different?
- 11 - Why would you want to be or not be the main character's friend?
- 12 - Where will the main character be 20 years from now?
